Peaceful Relationships

We all seek them...and yet conflict is a natural and inevitable part of everyday life.

- Destructive conflict can start with disappointments, irritations and frustrations.
- Unresolved conflict is one of the roots of violence.
- It is possible to learn new ways of handling differences.

AVP workshops are for everyone seeking harmony, whether in their work, family, community relationships, or all of these.

REGISTRATION IS REQUIRED*

REQUIREMENTS TBA PER LOCATION NEEDS.

***Register** by Email at avpav@aol.com. Include:
